ABOUT US

Phillips & Koch Construction is dedicated to providing world-class service at competitive pricing to keep your facility efficient and safe. With decades of experience, we provide a wide variety of installation and heavy equipment services for your industrial needs. We install custom conveyor and recycling systems and relocate used equipment and production lines.

INDUSTRIAL MECHANICAL SERVICES

For installations of individual small precision machines to mega-ton systems, let Phillips & Koch's professionals help you make a safe transition from the blueprints to an operational line. Licensed in WA, OR and CA, we specialize in Conveyor, Maintenance & Repair.
